A copy of the negative declaration is attached hereto as Exhibit B; and

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE TOMPKINS COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application, the Agency hereby finds and determines that:

- a. By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and
- b. It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of renovating and equipping the Project; and
- c. The Agency has the authority to take the actions contemplated herein under the Act; and
- d. The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Tompkins County and otherwise furthering the purposes of the Agency as set forth in the Act; and
- e. The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State, and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and
- f. The Project meets the requirements of the General Municipal Law with regard to retail projects in that the project is a tourism destination facility.

Section 2. Based upon a review of the Company's application and the SEQR Proceedings submitted to the Agency, the Agency hereby:

- a. Consents to and affirms the status of the City of Ithaca Planning & Development Board (the "Planning Board") as Lead Agency within the meaning of, and for all purposes of complying with, SEQR;
- b. Determines that the proceedings undertaken by the Planning Board as Lead Agency under SEQR with respect to the acquisition, construction and equipping of the Facility satisfy the requirements of SEQR, and ratifies and confirms such proceedings by the Planning Board as Lead Agency;
- c. Determines that all of the provisions of SEQR that are required to be complied with as a condition precedent to the approval of the financial assistance contemplated by the Agency with respect to the Project and the participation by the Agency in undertaking the Project have been satisfied.

Section 3. Based upon the representations and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$2,597,580.00**, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed **\$207,806.00**. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 4. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that:

- a. the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits;
- b. the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project;
- c. the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or
- d. the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project.

- e. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must
 - i. cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and
 - ii. promptly pay over any such amounts to the Agency that the Agency demands.

Section 5. Subject to the Company executing the Agent Agreement attached hereto as Exhibit C, the Agency hereby authorizes the Company to proceed with the renovation and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency:

- a. to renovate and equip the Project;
- b. to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses; and
- c. in general, to do all things which may be requisite or proper for completing the Project,

all with the same powers and the same validity that the Agency could do if acting on its own behalf; provided, however, that the Agent Agreement shall expire on **November 31, 2014** (unless extended for good cause by the Administrative Director of the Agency) if the Project has not been completed.

Section 6. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 7. These resolutions shall take effect immediately.
