

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing pursuant to Article 18-A of the New York General Municipal Law will be held by the Tompkins County Industrial Development Agency (the "Agency") on Tuesday, September 3, 2019, at 11:00 a.m., local time, at Lansing Town Hall, 29 Auburn Road, Lansing, New York, in connection with the following matter:

Lansing Renewables, LLC, a Delaware limited liability company, for itself or on behalf of an entity formed or to be formed (the "Company"), has submitted an application (the "Application") to the Agency requesting the Agency's assistance with respect to certain project (the "Project") consisting of the acquisition and installation of certain machinery, equipment and other items of tangible personal property (collectively, the "Equipment") in and around a proposed 5-megawatt (MW) community solar array to be located at 339 Jerry Smith Road, (currently designated as tax parcel number 16.-1-10) in the Town of Lansing, Tompkins County, New York (or other property located in Tompkins County) and to be used to generate electricity that will allow residential and commercial subscribers to receive renewable energy that will offset traditional power sources for the equivalent of approximately 1,000 homes and small businesses.

The Agency will acquire title to the Equipment and sell the Equipment back to the Company. The Agency contemplates that it will provide financial assistance (the "Financial Assistance") to the Company in the form of sales and use tax exemptions consistent, with the policies of the Agency.

A representative of the Agency will be at the above-stated time and place to present a copy of the Company's project Application and hear and accept written and oral comments from all persons with views in favor of or opposed to or otherwise relevant to the proposed Financial Assistance.
