Notes	PILOT agreement with power company to level out assessment value. Not associated with job creation. There are no tax exemptions. This PILOT agreement only sets the assessed value of the project. The project pays full property taxes on assessed amount. as of 12/31/19 the power plant went dark/shut down. while PILOT still in place, there is work on ending it in the future. County Assessment has put this property back on tax rolls - it is fully taxable. Power plant is dark and closed. The PILOT was terminated 2/26/24

Notes	Bond and PILOT agreement - IDA bond has been paid off and new bond under TCDC. Will keep this record to show PILOT payments. Facility cares for Counties indigent and the PILOT allows payment of \$1 as long as costs for that care are more than what taxes would be. 2017 new financing took place, thus the mortgage recording tax exemption. Planned end year is incorrect. PILOT Extended and correct planned end year is 2030.
