III. PROJECT DESCRIPTION AND DETAILS

Project Location (all addresses and tax parcels): 120 E Green Street, Ithaca NY 14850

Property Size (acres): existing: _____ proposed: _____

Building Size (square feet): existing: 10,947 proposed: _____

Proposed Dates: start: March 1, 2025 end: February 28, 2053

Asteri Parking LLC respectfully requests a 28-year PILOT agreement, with a de minimis payment of \$1 per year, for the ground floor space of 120 E Green Street, which is occupied by Seventh Art Corporation of Ithaca, d/b/a Cinemapolis (the “Movie Theater”) (DBA Cinemapolis).

The PILOT would support the long-term financial sustainability of Cinemapolis, which in turn provides the following benefits to us and the City of Ithaca:

1. Assistance in maintaining a long-term tenant in a space that was specially designed as a movie theater. While the economy for cinemas has been unstable, Asteri received ownership of the land that was improved with a movie theater, which requires a very specific type of tenant. The closure of Cinemapolis may lead to the vacancy of this specialized unit, and reconfiguration may be cost-prohibitive.
2. Promoting the success of our overall investment in the City of Ithaca. Cinemapolis supports the success of our projects in downtown Ithaca. The Ithaca Downtown Conference Center, another Asteri tenant, works closely with Cinemapolis as a partner on many of their events. In addition, recreational amenities improve the quality of life for the residents of our affordable housing project. Finally, visitors to Cinemapolis frequent the parking garage above the movie theater. Each of these ancillary projects have been previously supported by this Industrial Development Agency and complement our shared broader vision of a robust and thriving downtown.

Is there a likelihood that the Project would not be undertaken but for the financial assistance provided by the Agency? Yes No

If yes, describe the reasons why the Agency’s financial assistance is necessary and the effect the Project will have on the Applicant’s business or operations. Focus on competitiveness issues, project shortfalls, Etc.:

If a PILOT is not granted, the ongoing operations of Cinemapolis may be put at risk due to the financial burden of property taxes.

If no, provide a narrative indicating why the Project should be undertaken by the Agency:

If the Applicant is unable to obtain financial assistance for the Project what will be the impact on the County/City/Town/Village?

Asteri is applying for this PILOT, because Cinemapolis is surrounded by Asteri projects, all of which benefit from collaboration with the theater. Cinemapolis is also a key partner to local schools and other community based organizations. The theater attracts over 50,000 audience members each year, and these individuals also visit other local businesses.

If the IDA does not take this step, which supports the long-term financial sustainability of the theater, all of these community benefits could be put at risk.

Describe what green building practices you plan to use:

The theater is committed to implementing green building practices, and Asteri has been supportive of these efforts.

Recently, Cinemapolis installed new heat pumps, replacing an existing HVAC system that was powered with gas. The theater has reduced their carbon footprint, and the new outdoor equipment for this project is located in the parking garage.

Will this project result in a regular increase in overnight visitors to your facility (e.g. for training programs)? Yes No

If yes, number of visitors per year: _____

Average duration of stays (days): _____

Occupancy
