WHEREAS, **LIVING ESSENCE MASSAGE, LLC**, for itself and/or on behalf of an entity formed or to be formed by it or on its behalf (the "Company"), has submitted an application (as the same may be modified or supplemented from time to time, the "Application") to the Agency, a copy of which is on file with the Agency, requesting the Agency's assistance with respect to a certain project (the "Project") consisting of: (i) the redevelopment of a certain 3,367 square foot facility (the "Existing Improvements") located at 1891 Trumansburg Road, Town of Ulysses, Tompkins County, New York (the "Land", being more particularly identified as tax parcel No. 25.-2-1.4), (ii) the planning, design, engineering and reconstruction of the Existing Improvements for operation as a massage therapy school / program (collectively, the

WHEREAS, it is contemplated that the Agency will (i) negotiate and enter into a certain project agreement, pursuant to which the Agency will appoint the Company as its agent for the purpose of undertaking the Project (the "Project Agreement") and (ii) provide financial assistance to the Company in the form of a sales and use tax exemption for purchases and rentals related to the renovation of the Facility and the acquisition and installation and equipping of the Equipment (the "Financial Assistance"); and

WHEREAS, the Financial Assistance to be provided to the Company by the Agency shall not exceed \$100,000 and, therefore, no public hearing is required; and

WHEREAS, pursuant to the New York State Environmental Quality Review Act, Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto at 6 N.Y.C.R.R. Part 617, as amended (collectively referred to as "SEQRA"), the Agency must satisfy the applicable requirements set forth in SEQRA, as necessary, prior to making a final determination whether to undertake the Project; and

WHEREAS, the Project Agreement and related documents are being negotiated and will be presented to the Agency for execution upon approval of this resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE TOMPKINS COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented the Application in a form acceptable to the Agency. Based upon representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that:

A. By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

B. The Agency has the authority to take the actions contemplated herein under the Act; and

C. The action to be taken by the Agency will induce the Company to develop the Project in Tompkins County, New York, and otherwise further the purposes of the Agency as set forth in the Act; and

D. The Project will not result in the removal of a civic, commercial, industrial or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State to another area of the State or result in the abandonment of one (1) or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's Application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

E. Based upon the representations made by the Company to the Agency in the Application, the Agency hereby finds and determines that the Project constitutes a "Type II Action" (as such term is defined in SEQRA) as the Project constitutes the replacement, rehabilitation and reconstruction of a structure or facility, in kind, on the same site; therefore, no further action is required under SEQRA.

F. Based upon the Agency's prior review of the Application submitted by the Company, along with supporting materials, the Project will include facilities or property that are primarily used in making retail sales, as defined within Section 862(2) of the Act, to customers who personally visit the Facility. Notwithstanding the foregoing, and based upon the Application and supporting materials prepared and presented by the Company to the Agency, and pursuant to Section 862(2)(b) of the Act, the predominant purpose of the Project will be to make available goods or services which would not, but for the Project, be reasonably accessible to the residents of the Town of Ulysses because of a lack of reasonably accessible retail trade facilities offering such goods or services. In accordance with the foregoing, and pursuant to Section 862(2)(c) of the Act, the Agency hereby finds that the undertaking of the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and/or increasing the overall number of permanent, private sector jobs in the State.

Section 2. The Agency is hereby authorized to provide to the Company the Financial Assistance in the form of an exemption from sales and use tax for the purchase or rentals of goods and services in connection with the Project.

Section 3. Based upon representations and warranties made by the Company in the Application, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project, that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$397,500.00**, which result in New York State and local sales and use tax exemption benefits ("Sales and Use Tax Exemption Benefits") not to exceed **\$31,800.00**. The Agency agrees to consider any requests by the Company for increase to the amount of Sales and Use Tax Exemption Benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 4. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any Sales and Use

Tax Exemption Benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the Sales and Use Tax Exemption Benefits; (ii) the Sales and Use Tax Exemption Benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the Sales and Use Tax Exemption Benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the Sales and Use Tax Exemption Benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project.

As a condition precedent to receiving Sales and Use Tax Exemption Benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 5. Subject to the Company executing the Agency Documents and the delivery to the Agency of a binder, certificate or other evidence of a liability insurance policy for the Facility satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the undertaking of the Project and hereby appoints the Company as the true and lawful agent of the Agency, pursuant to the provisions of the Agency Documents: (i) to construct, reconstruct, renovate, refurbish and equip the Facility; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the Company's status as agent of the Agency and related sales tax exemption letter shall expire on **December 31, 2027** (unless extended for good cause by the Administrative Director or other authorized representative of the Agency).

Section 6. The Co-Administrative Directors, Chair and/or Vice Chair of the Agency are hereby authorized, on behalf of the Agency, to negotiate and enter into the Project Agreement.

Section 7. The Financial Assistance provided by the Agency to the Company shall not exceed \$100,000 and, therefore, a public hearing is not required to be held by the Agency.

Section 8. The Chair, Vice Chair and/or Administrative Director of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender/financial institution identified by the Company (the "Lender") up to a maximum principal amount necessary to undertake the Project,

to acquire, construct and/or equip the Facility and/or finance or re-finance equipment and other personal property and related transactional costs (hereinafter, with the Project Agreement, the Lease Agreement, Leaseback Agreement and Tax Agreement, collectively called the "Agency Documents"); and, where appropriate, the Secretary or Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chair, Vice Chair and/or Administrative Director of the Agency shall approve, the execution thereof by the Chair, Vice Chair and/or Administrative Director of the Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency's interest in the Project.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 10. These Resolutions shall take effect immediately.

The question of adoption of the foregoing Resolutions was duly put to vote on roll call, which resulted as follows:
